

Redmond Municipal Airport is establishing a new overall goal for DBE participation for FY18-20. This includes consultation with general contractor groups, community organizations, and other officials or organizations which could be expected to have information concerning the availability of disadvantaged and non-disadvantaged businesses, the effects of discrimination on opportunities for DBEs, and assist Redmond Municipal Airport's efforts to establish a level playing field for the participation of DBEs. Below is the list of the anticipated contracts that will receive federal support of the next 3 years.

Contracts Fiscal Year #1

1. Terminal Apron Expansion - *\$7,368,000*

Contracts Fiscal Year #2

1. New SRE Building \$11,113,000

Contracts Fiscal Year #3

1. Snow Removal Equipment Acquisition \$1,600,000

Design projects include Civil Engineering work and Environmental/Biological Assessments for protected wildlife.

Rehab and new building construction projects are Civil Construction including asphalt, concrete, lighting and earthwork.

SRE are large equipment purchases.

A public meeting to review the goal setting processes will be announced as soon as it is scheduled.
