REQUEST FOR PROPOSAL
Amendment #1

Date: April 13, 2017
Response To: Proposers
From: Felila Narotski, City of Redmond
Subject: Request for Proposal – Paid Public Parking Management and Operation Services
Roberts Field-Redmond Municipal Airport (RDM)

The following changes or clarifications are being made to the Request for Proposal – Paid Public Parking Management and Operation Services at Roberts Field-Redmond Municipal Airport (RDM)

14. Proposal Preparation; page 8 of the RFP.

Section 14. has been amended by clarifying the page-count limitation of sixty (60) pages:

“Each Proposal should include the information in the format outlined in this RFP and is limited to no more than 60 pages. The audited financial statements, however, may be excluded from the page-count.”

14. Proposal Preparation; page 9 of the RFP.

Section 14.4.B. has been amended by including the audited financial statements for the year 2013:

“Audited Financial Statements-Provide audited financial statements of your company including income statements, balance sheets, and accompanying notes for the years 2013, 2014, and 2015, along with the audited or non-audited 2016. The financial statements must be audited by an independent firm and include the auditors statement of findings.”

Exhibit D – Confidential Qualification/Experience, Financial Capability, and Operations Form For Paid Public Parking Management Roberts Field, Redmond, Oregon; page 23 of the RFP.

Section 2. has been amended by including the audited financial statements for the year 2013:

“Audited Financial Statements-Provide audited financial statements of your company including income statements, balance sheets, and accompanying notes for the years 2013, 2014, and 2015, along with the audited or non-audited 2016. The financial statements must be audited by an independent firm and include the auditors statement of findings.”
