

**Request For Qualifications (RFQ)
Airport Security Services
Redmond Municipal Airport - Roberts Filed- (RDM)
Redmond, Oregon**

Questions from Mandatory Pre-Proposal Meeting March 29, 2018:

- 1. Is there a need to provide a vehicle? (Cascade Security)**
No, all work is performed by walking.
- 2. Why is an RFQ in place? (G4S)**
The current contract is near its expiration date.
- 3. Can the winning provider retain incumbents' security officers? (G4S)**
That is up to the winning provider and if those security officers meet the requirements of the RFQ.
- 4. Is there a fee for employee parking? (G4S)**
No, the Airport does not charge its representatives employee parking fees or Airport ID fees.
- 5. Does the Airport want to see detailed cost breakout out in the SOQ? (Cascade Security)**
The Airport will want to see the hourly wage for the Security Officers in detail in addition to any other requested information contained within the RFQ.
Responders may otherwise decide to breakout costs into further details or not.
